Wireless Charging Pads

nimble **Wireless Charging Pads**

LED Charge Status Indicator:

Solid White - Device is charging

Blinking White - Interference between the pad and your device

Instructions for proper usage:

- Always connect to power using a Nimble USB Cable, and Nimble Wall Charger, for the safest, most efficient charging experience.
- Charges through most slim, protective cases (up to 3mm thick).
- Charge a second device by using the additional USB-A output port (Wireless Pad & Wireless Stand only).
- Treat gently and avoid dropping or horseplay.
- Do not disassemble or attempt to modify in any way.
- Clean the product using a dry cloth. Do not expose to liquids.
- Avoid extreme heat, hot environments and direct sunlight when charging.
- Contact Nimble directly if your product stops working or becomes damaged.
